

Southpointe Amateur Hockey Association – Locker Room Policy

Locker rooms are provided to allow players to prepare for on-ice activity. The Southpointe Amateur Hockey Association adheres to USA Hockey's SafeSport Program and Mid-American Hockey District Rules as a means to help protect participants from abuse and misconduct.

1. No player shall be allowed in the locker room unless an approved locker room monitor is present. Coaches and our business manager have completed all the screening requirements and are the only approved locker room monitors for the 20____ - ____ season. Mid-American Hockey District requires that coaches be present inside the locker rooms at all times. The exception will be the girl's locker room, where an approved monitor will be present immediately outside the room door. In the event of a one player/one monitor present situation, where the player and monitor are not related, the monitor will stand directly outside the locker room door. We will do our best to ensure a monitor is present to allow access to the locker rooms no less than 30-minutes before practices and 60-minutes before games.
2. Only players and approved locker room monitors will be permitted in locker rooms. Parents and other non-screened persons are not permitted in the locker rooms for the 12U (PeeWee) level and above.
 - a. 8U (Mite) and 10U (Squirt) parents can assist their child if needed.
3. Locker rooms are to be left in the same condition as they are entered. Players are expected to clean up after themselves. All trash will be placed in appropriate receptacles before exiting the locker room.
4. Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras are not permitted to be used in the locker rooms. If phones or other devices must be used, they are to be taken outside of the locker room.
5. Damage or vandalism of any kind to locker rooms or other arena facilities will not be tolerated. No warnings around violations of this policy will be given. Any violation of this policy will result in a one-game suspension.
6. There will be no physical contact between players in the locker room. Other misconduct, including emotional abuse, bullying, threats, harassment and hazing will not be tolerated. No warnings around violations of this policy will be given. Any violation of this policy will result in a one-game suspension.
